About Tails of Hope Sanctuary

Tails of Hope Sanctuary (TOH) is an organization which has already rescued over 1,800 shelter animals who were in trouble. These animals may have simply run out of time or have correctable health or behavioral needs which TOH addresses before the animals become available for adoption. Either way, TOH provides a safe place for them while they await permanent loving homes. This enables TOH to free up much needed space at shelters. Currently, the Sanctuary is a network of foster care providers. TOH is working diligently toward acquiring our Compassionate Living/Educational Center and Shelter for abandoned, neglected and abused animals.

Help Tails of Hope in its lifesaving mission to rescue animals, support spay and neuter, provide medical attention to those in need and most of all, provide them with the love, safety and comfort they deserve.

Please visit www.tails-of-hope.org for more information.
